### 🔍 Do nursing home residents like deprescribing? ✕

Based on interviews with 162 nursing home residents from 27 nursing homes

- ✓ **81%** like to know as much as possible about their medicines
- ✓ **51%** know exactly which medicine they are taking
- ✓ **35%** would like to try and stop one of their medicines by themselves
- ✓ **85%** would be willing to stop a regular medication if their doctor suggested it

30% difference..  
**WHAT?!**

We **need** to get the doctors involved

What about **geronto-psychiatric** patients?
